

THE OFFICE OF MARVEL & MARCHAND ARCHITECTS

ARCHITECTURE ▪ URBAN DESIGN

THOMAS S. MARVEL, FAIA
JOSE R. MARCHAND SIFRE, AIA

January 22, 2013

The Office of Marvel & Marchand Architects, LLP is pleased to announce that **José Juan Terrasa-Soler** has joined the firm. José Juan brings over 18 years of experience in the areas of landscape architecture, environmental consulting, planning, and tourism development. He holds advanced degrees in ecology, environmental studies, and landscape architecture from Michigan, Yale, and Harvard, respectively. Most recently, José Juan was Director of Planning and Development at the Puerto Rico Tourism Company, where he oversaw the launch of a new luxury hotel segment and the development of green hotel and sustainability initiatives. We are proud to offer these new services to our clients as we welcome José Juan to our team.
